

## INVITATION

My Dear SGPGI Alumni,

The Department of Neurology, SGPGI in reference to its silver jubilee celebration is organizing “2<sup>nd</sup> ALUMNI MEET” on 1<sup>st</sup> March’ 2014. In this meeting there will be a half day CME “*Medicine the Neurologist must know*” in which the experts from SGPGI will deliver lectures on diabetes, hypertension, renal failure and immunological disorders. Prof. K. Prasad from AIIMS has agreed to deliver a special lecture on “Evidence based management of stroke”.

In the post lunch session (2PM onward) there will be opportunity for informal interactions. Every alumnus will have 3-5 minutes time to talk anything he or she wants to say. If you need projection facility, please inform. The tentative programme is attached along with the list of alumni.

All of us in the department are eagerly waiting for this exciting event.  
Looking forward to meet you

With regards,

(U K Misra)
