

SANJAY GANDHI POSTGRADUATE INSTITUTE OF MEDICAL SCIENCES, LUCKNOW.

PART-I: GENERAL INFORMATION

Project Title:

Investigators

Name

Designation

Signature

Principal Investigator

Principal Co-investigator

Co-investigator 1

Co-investigator 2

Total Cost (Rs.):

Project Summary including clearly state objectives (Not to exceed 250 words).

Key words (at least 5)

Forwarded by HOD

(Head of department will be responsible for periodic monitoring of the project)

PART-II: TECHNICAL DETAILS

Introduction and background

Rationale of the study supported by cited literature (Should state the Hypothesis/Key questions being addressed)

The relevance and expected outcome of the proposed study

Preliminary work done so far

Specific objectives (in bulleted form)

Work Plan methodology/experimental design to accomplish the stated aim

PART-III: BUDGET PARTICULARS
(All items should be listed with cost)

PART-IV: BRIEF BIODATA OF PRINCIPAL INVESTIGATOR

Name:

Designation

Professional Experience and Training relevant to the Project

Publications (Numbers only)

Books:

Research Papers (Only indexed, not abstracts)

National

International

Patents :Others (Please specify).....

Selected peer-reviewed publications in last 5 years (Maximum 5)

Previous projects: (List all intramural projects received so far and relevant currently running extramural projects)

No	Title	Funding source	Time period	Budget	Completed/not completed
