

PGI/CMS/NOTICE/ 4787 /2017

Date: 23/08/2017

Notice

Due to increase in the Influenza A H1N1 cases reporting at SGPGIMS, the procedure for the management of patients at the Institute made in consonance with the MoHFW Guidelines on case containment issued vide order no PGI/CMS/NOTICE/3920/2017 dated 03.07.2017 stands revised as follows. All are requested to diligently adhere to the instructions given below:

A. Admission and Isolation:-

- 1- The patient with influenza like illness will be Categorized into Category A, B and C according to the MoHFW Guidelines on categorization of Influenza-A H1N1 cases. Following procedure for testing is to be adopted.
 - a. Category-A - Testing not recommended.
 - b. Category-B - Physician Discretion.
 - c. Category-C - Testing Recommended
- 2- All individuals with flu like symptoms referred from other hospitals and of Institute for Influenza A H1N1 test will report at the screening centre of the Institute located at Room No 100, near Gas Plant of PMSSY. The screening centre will collect samples between 8.00am to 2.30 pm and up to 11am on Saturday and Sunday.
- 3- All individuals seeking consultations for flu like symptoms who are in serious condition will report at a designated area in ERS-I. EMO on duty will call on duty Senior Resident of Pulmonary Medicine Department for his/her evaluation.
- 4- All category-A and stable category-B patients can be referred to other designated hospitals/Centers.
- 5- Admission of patient will depend on the requirement and subject to availability of bed. Seriously ill Category -B patients needing admission and category-C patients will be given priority for admission in the Institute.
- 6- The patients with Influenza A H1N1 will be admitted in 10 bed Isolation Ward (Emergency-II) or 5bed Swine flu ICU ward above CSSD as the need be.
- 7- Since there is no facility of PICU, the pediatric patients reporting at SGPGI for consultation will be referred to KGMU for further management.
- 8- The patients who turn out Influenza A H1N1 positive after admission under any super specialty of the Institute will be transferred out to Swine Flu Isolation ward in consultation with Dr. Alok Nath, HOD Pulmonary Medicine.
