# Invitation

Dear Colleagues,

It gives us great pleasure to invite you to the *XX U.P. Chapter Convention* of the *Association of Radiation Oncologists of India* on *February 16<sup>th</sup> – 17<sup>th</sup>, 2008* at the *Mini Auditorium*, Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow.

In addition to lectures from eminent faculty, the residents will have an opportunity to discuss *grey zones* in the current management of breast cancer in the *CME on Breast Cancer* on *16<sup>th</sup> February, 2008*

The forum will also provide an opportunity to Radiation Oncologists, Medical Physicists and Radiation Technologists to deliberate on the status of *Radiation Oncology Practices in UP*, (our strength, weakness, opportunity and threats), which we hope will become a regular feature of our annual meetings, with a view to improve patient care, teaching, training and research.

We hope you will enjoy what is on offer and we all look forward to seeing you in our midst and contribute towards the scientific deliberations.
